EXECUTIVE SUMMARY

Key Highlights

This report presents the implementation and outcomes of a Hot Meal Distribution Program conducted in Sadiqabad, District Rahim Yar Khan, Punjab, Pakistan. The initiative was funded by Arrahman Welfare Foundation Canada (AWFCA) and implemented in collaboration with the on ground partner Arrahman Welfare Foundation.
The hot meal distribution was organized to provide freshly prepared, nutritious meals to poor and needy families who deserved support and were experiencing financial hardship. The program aimed to reduce food insecurity by ensuring that vulnerable community members had access to healthy meals served with dignity and compassion. The initiative benefited 150 families, representing approximately 350 individuals, through the distribution of freshly prepared hot meals. The program contributed to improving food security while strengthening community well-being and providing immediate relief to those most in need.

150

Families Supported

Approximately 150 poor and needy families received freshly prepared hot meals through the humanitarian food distribution program in Sadiqabad, District Rahim Yar Khan, helping reduce food insecurity and provide immediate relief. Approximately 350 individuals, including women, children, elderly persons, and low income workers, benefited from nutritious hot meals distributed with dignity and compassion.

100%

Free Meal Distribution

All meals were freshly prepared under hygienic conditions and distributed free of charge by dedicated volunteers, ensuring deserving families received safe, nutritious meals and respectful humanitarian assistance.

OBJECTIVES & GOALS

Implementation Objectives

The primary objective of this initiative was to reduce food insecurity by providing freshly prepared hot meals to poor and needy families in Sadiqabad, District Rahim Yar Khan. Through this humanitarian effort, the project aimed to ensure that vulnerable individuals had access to freshly-cooked meals while easing the financial burden on families experiencing economic hardship.

The project also sought to promote dignity, compassion, and community solidarity by serving meals in a respectful and organized manner. By working closely with local volunteers and community representatives, the initiative ensured that food assistance reached deserving families, including daily wage workers, widows, elderly individuals, and other vulnerable members of the community.

Key Project Indicators

To measure the success of the hot meal distribution program, the following performance indicators were prioritized:

Food Security

Providing freshly prepared, nutritious meals to poor and needy families, helping reduce immediate hunger and improve food security.

Community Support

Ensuring that vulnerable households, including low-income families, widows, elderly individuals, and daily wage workers, received food assistance with dignity and respect.

Humanitarian Impact

Strengthening community well-being through free meal distribution, volunteer engagement, and equitable access to nutritious food for those most in need.

IMPLEMENTATION LOCATION

Location: Sadiqabad, District Rahim Yar Khan
Date: June 20. 2026
Beneficiaries Served: Approximately 150 Families / 350 Individuals

The cooked meal distribution initiative was successfully implemented in Sadiqabad, District Rahim Yar Khan, with the aim of providing immediate food assistance to poor, needy, and vulnerable families facing food insecurity and financial difficulties.

Through this humanitarian effort, 150 families representing approximately 350 individuals received freshly prepared cooked meals. The initiative focused on ensuring that deserving families had access to nutritious food support while maintaining dignity and respect throughout the distribution process.

The initiative was carried out with the dedication and support of volunteers who contributed their time and efforts toward coordination and distribution activities. Their commitment ensured that meals were delivered efficiently and reached families most in need.

The program provided essential relief to vulnerable households and helped address short-term food challenges by delivering timely assistance to individuals and families experiencing hardship.

PROJECT OUTCOMES & IMPACT

Key Achievements

The cooked meal distribution initiative achieved the following outcomes:

- Approximately 150 families received cooked meals
- Around 350 individuals benefited from food assistance
- Nutritious meals were provided to poor and needy community members
- Immediate food relief was delivered to vulnerable households
- Community participation was strengthened through volunteer involvement
- Support was extended to families facing financial difficulties
- The initiative promoted dignity, compassion, and social responsibility

MEAL PACKAGE DETAILS

Each cooked meal box was prepared to provide a complete and nutritious meal for beneficiaries. Every distribution box included a variety of freshly prepared food items to ensure families received a wholesome and satisfying meal.

Contents of Each Meal Box Included:

- Chicken Korma
- Chicken Biryani
- Zarda (Sweet Rice)
- Roti
- Raita / Salad

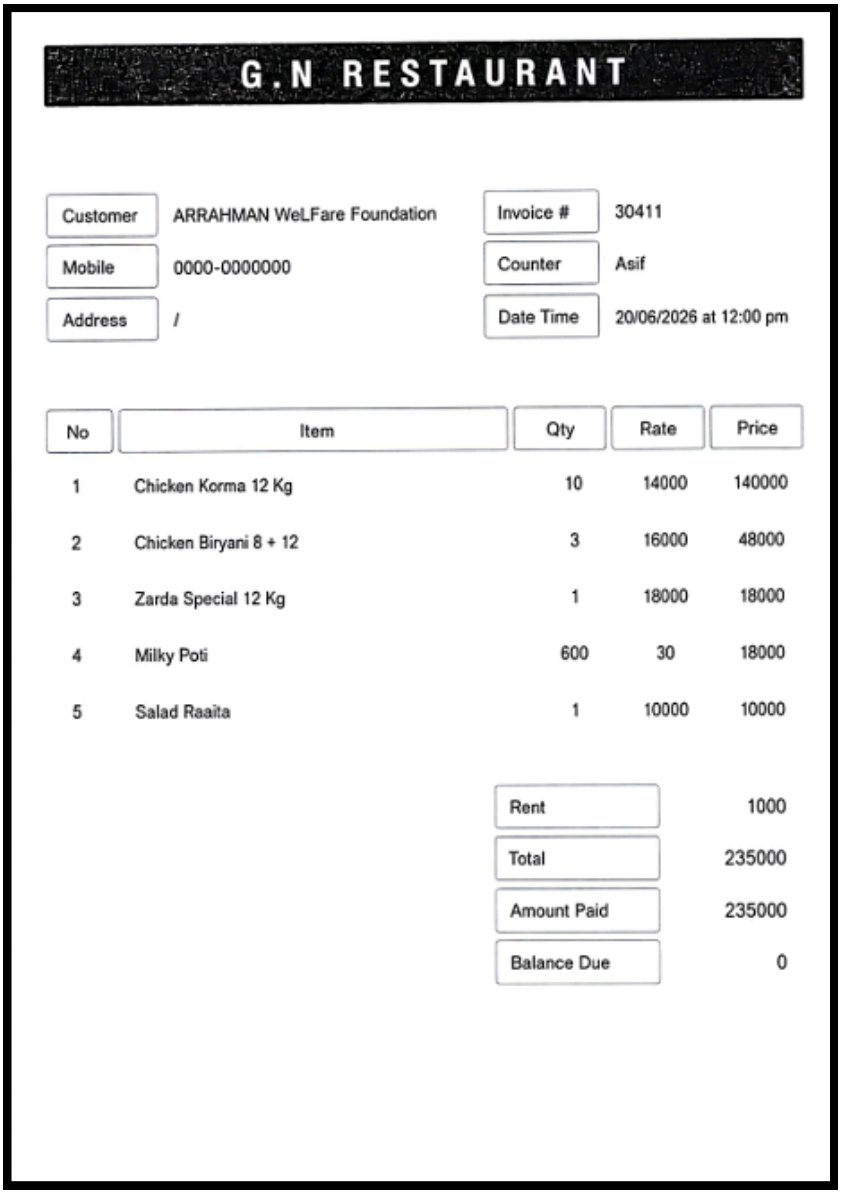

All meal boxes were carefully prepared, packed, and distributed by volunteers while maintaining proper organization and ensuring timely delivery to the selected beneficiaries.

The provision of complete meal packages helped provide immediate food support to families while promoting dignity and care throughout the distribution process.

FINANCIAL OVERVIEW & INVOICES

The cooked meal distribution initiative was implemented through effective resource management and strong volunteer support. The organization's primary expense for this project was the procurement of freshly prepared cooked meals from a local restaurant for distribution among the selected beneficiaries.All additional operational activities, including meal packaging, transportation, arrangements,coordination, and distribution of meals, were handled by dedicated volunteers at no additional cost to the organization The volunteers contributed their time and efforts throughout the implementation process, allowing the organization to maximize available resources and ensure that financial support was directly focused on providing meals to families in need.

Total Cost Calculation

The total cost incurred for the cooked meal distribution initiative was:

Total Project Cost (PKR): 235,000 PKR

The currency conversion was calculated using the exchange rate:

Exchange Rate: 1 CAD = 200.90 PKR

Conversion Calculation:

235,000 PKR ÷ 200.90 = 1,170.23 CAD

Total Project Cost= $1,170.23 CAD

The total project cost covered the procurement of freshly prepared cooked meals for approximately 150 families/350 individuals. Through volunteer support, all additional activities including packaging, transportation, coordination, and distribution were completed at no additional cost to the organization.

BENEFICIARY PROFILE

The program served individuals from diverse backgrounds, including:

- Women
- Children
- Elderly individuals
- Daily wage workers
- Persons with disabilities
- Poor and vulnerable families

CHALLENGES

During implementation, the project team encountered several operational challenges, including:

- High demand for food assistance.
- Hot weather during meal distribution.
- Managing timely distribution while maintaining food quality.

Despite these challenges, the distribution was successfully completed through effective planning, community coordination, and volunteer support.

CONCLUSION

The cooked meal distribution initiative successfully provided essential food support to vulnerable families in Sadiqabad, District Rahim Yar Khan.
Through the partnership between Arrahman Welfare Foundation Canada (AWFCA) and Arrahman Welfare Foundation, approximately 150 families/350 individuals received freshly prepared meals, helping reduce the impact of food insecurity and providing immediate relief to those facing financial challenges.
The dedication of volunteers and community partners was instrumental in ensuring the success of this initiative. Their efforts helped deliver assistance in an organized and respectful manner while strengthening community support networks.
This initiative was fully funded by Arrahman Welfare Foundation Canada, while Arrahman Welfare Foundation managed all on-ground operations.

ACKNOWLEDGEMENT

THANK YOU !

Arrahman Welfare Foundation extends its sincere appreciation to Arrahman Welfare Foundation Canada (AWFCA) for generously funding this initiative and for trusting us to lead the on-ground implementation. Your confidence in our work made it possible to serve poor and vulnerable families with dignity, compassion, and professionalism.
