EXECUTIVE SUMMARY

Key Highlights

Arrahman Welfare Foundation successfully implemented a ration package distribution project on 25 June 2026 in Rahim Yar Khan, Punjab, Pakistan. The project was funded by Arrahman Welfare Foundation Canada and implemented on the ground by Arrahman Welfare Foundation.

The initiative was undertaken to provide essential food assistance to families experiencing financial hardship and food insecurity, while contributing to poverty relief within the local community.

A total of 180 ration packages were distributed to 180 deserving families. Each ration package contained essential food items intended to support a family for approximately one month, helping beneficiaries meet their basic household food requirements and reducing the financial burden of purchasing essential groceries.

OBJECTIVES & GOALS

Project Goal

The goal of this project was to enhance the well-being of vulnerable communities in Rahim Yar Khan by strengthening household food security through humanitarian assistance. By providing monthly ration packages to deserving families, the project sought to ease the impact of financial hardship and ensure access to essential food supplies. The initiative reflects Arrahman Welfare Foundation's commitment to reducing hunger, promoting dignity, and supporting sustainable community welfare.

Objectives

- Provide essential food assistance to vulnerable and deserving families facing economic challenges.
- Reduce short-term food insecurity by distributing nutritious and essential household food items.
- Help alleviate the financial burden of purchasing monthly groceries for low-income households.
- Support approximately one month's food requirements for beneficiary families through comprehensive ration packages.
- Promote dignity and well-being by ensuring families receive humanitarian assistance in a fair and respectful manner.
- Strengthen community resilience through timely and effective humanitarian intervention.
- Contribute to poverty alleviation and improve the overall quality of life for vulnerable communities in Rahim Yar Khan.

IMPLEMENTATION

FINANCIAL OVERVIEW & INVOICES

The Ration Package Distribution Initiative was implemented through effective resource management, careful planning, and strong volunteer support. The organization's primary expense for this project was the procurement of essential food items included in the ration packages distributed among the selected beneficiary families.

All additional operational activities, including ration package preparation, packaging, transportation, coordination, and distribution, were managed by dedicated volunteers at no additional cost to the organization.
The volunteers contributed their time and efforts throughout the implementation process, allowing the organization to maximize available resources and ensure that financial support was directly focused on providing essential food assistance to 180 deserving families experiencing financial hardship. Through efficient financial management and community participation, the initiative successfully delivered humanitarian support while maintaining cost-effectiveness and maximizing the impact of available resources.
